

## **Snodderly Cemetery**

(AEC #28)

**Location:** This cemetery was on a lot at the northeast corner of Macon Lane and Montana Avenue (101 Macon Lane). On Tract F-561, obtained from M. E. Snodderly and wife.

In 1968 the site of this cemetery was visited, but no evidence of graves was visible on the overgrown lot. In 1970, a house had been built on the lot, and the occupant said the former owner of the lot had the graves removed. There were said to be four unmarked graves here.
