

Scarborough Cemetery (Pine Ridge)

(AEC #65)

GPS Coordinates: N36°00.549',
W084°13.485'

Size: Less than 25 graves

Location: Attempts have been made to find this cemetery, without success. It is described as being in a gap on Pine Ridge, on the east side of Mill Road (probably the road which ran from Lupton to Union Valley Road and on to Scarborough), about a half mile east of where the Kerr Hollow Road crosses Pine Ridge. Mr. Snyder Roberts said he has been told this cemetery contained tombstones for at least two Scarboroughs, one being Jonathan Scarborough, born about 1796 in Virginia and died about December, 1867. On Tract B-131, from Isabella Scarborough.

***Updated Information** - This cemetery is located in a gap on top of Pine Ridge, approximately two tenths of a mile north of where South Illinois Avenue crosses the crest of the ridge. This cemetery is located on University of Tennessee Arboretum land with restricted access to the public.

(Updated information, GPS Coordinates and photo are from Mr. Dennis Eggert.)
