

## How to locate your pending permit & planning applications and items in CityView Portal

There are two easy steps to find your current projects. Once you are signed into the CityView portal, simply click on "My Items".

The screenshot shows the City of Oak Ridge website header with the CityView Portal navigation menu. An orange arrow points to the [My Items](#) link. Below the navigation menu, there is a banner image of a rowing team on a lake. The main content area is titled "CITYVIEW PORTAL" and includes a "Welcome" message, a navigation menu with "My Items" highlighted, and a list of services: CODE ENFORCEMENT, BUILDING DEPARTMENT, PLANNING DEPARTMENT, and PROPERTY INFORMATION. The footer contains contact information and a copyright notice.

The City's new web portal is now online. Apply for permits, check the status of applications and inspections, submit complaints and check on planning applications - all from the comfort of home.

The CityView Portal is the first step in the City's plan to improve its service offerings for citizens. Watch for more updates coming soon.
